Pinning down a specific date for the opening of the Cook-Albert Fuller Center has been a little bit more art than science since construction activity is so dependent on cooperative weather. At this writing, we know the building itself will be completed by February. The item in question now is the parking lot which must be installed before our public occupancy permit can be issued. That work will begin in April … or whenever spring decides to arrive in Door County!

Barring the chance that we’ll be thrown a left curve by the weather gods, we are projecting an opening date of June 13, 2015. In January, the staff will continue to operate from the offices in the Upper Range Light, Monday – Friday, 9 AM – 5 PM. Here’s what will be happening beginning in February:

**Hours & Location of Operation**

- **Early February**: Staff will begin the transition, moving supplies and store inventory to the new building. During this period, there may be times when it’s hard to reach us. We will be checking voicemail and email regularly, so please leave a message, and be assured we’ll respond as quickly as possible.
  
  **Hours of operation**: Monday – Friday, 9 – 5.

- **Mid-February to Mid-May**: Staff will be located at the Center. Snowshoe hikes and winter programs will continue to be run from the cabins.
  
  **Hours of operation**: Monday – Friday, 9 – 5.

- **May 15**: Our business office will be open Monday through Friday, 9 – 5. The former Nature Center cabin will be staffed Monday through Friday, 9 – 2 to greet visitors and facilitate hikes.

- **June 13**: The Center will open to the public.
  
  **Hours of operation**: Sunday – Saturday, 9 – 6.

Our mailing address and phone number will not change; however, our physical address as of June 13 will be 8166 Hwy 57, Baileys Harbor, 54202.

We thank you in advance for your patience during this exciting time!

**In-Kind Donations Update**

Each year The Ridges receives generous in-kind donations that range from office supplies and birdseed to artwork and historical memorabilia. Recently, we’ve had a number of inquiries from individuals and businesses regarding items they are interested in contributing to the new building.

Because we will begin the process of packing and moving very soon, we will not take receipt of in-kind gifts from now until after we complete the move to the Center. This will not only help us streamline the move as much as possible, but will also prevent damage to or loss of donated items.

In the interim, if you have an item that you are interested in donating and want to make sure that The Ridges can make good use of your contribution, please contact Kate LeRoy, Manager, Visitor Services, 920-839-2802 or kate@ridgessanctuary.org.
Environmental education doesn’t end with the conclusion of Door County’s high season. Each winter, our naturalist-guided snowshoe hikes provide residents and visitors, adults and children, the opportunity to connect with nature and learn about winter ecology. That’s why last September we applied for a Cellcom Green Gift to support the purchase of additional equipment that would allow us to expand both the frequency and capacity of our guided snowshoe hikes. We’re pleased to announce that our $1,200 Green Gift check was presented at The Ridges by Cellcom representatives Rob Van Gemert and Cindy Durand on October 29.

Since 2004 Cellcom has offered a cell phone recycling program where customers can bring in their old or unwanted phones to be reused and recycled. Cellcom sends the phones to recyclers who in return send money to Cellcom for the materials that were saved from the phones. Cellcom has always donated this money back to local non-profits. In 2010, Cellcom launched the Green Gift program, donating their recycling funds to green non-profit initiatives in an effort to complete the green cycle that starts with consumers being environmentally-conscious and donating their devices. A total of $32,000 was given out to 26 green organizations in Cellcom’s service area this year.

We also want to thank our good friends at Ecology Sports in Sister Bay for their generous donation to this project and working with us to select and order our new equipment.

Because snowshoeing requires little or no experience, it’s the perfect way to explore the trails of The Ridges during the winter months and to provide a learning experience that also incorporates fun and a sense of physical well-being. Join us for a guided snowshoe hike this season. Hikes will be held on Fridays at 1 PM and Saturdays at 9:30 AM and 1 PM, January 2 through March 28. If there’s no snow (like that will happen!), we’ll hike without snowshoes.

Private Guided Snowshoe Hikes

Naturalist-guided Snowshoe Hikes

JANUARY 2 thru MARCH 28,
Fridays at 1:00 PM; Saturdays – 9:30 AM & 1:00 PM
Experience The Ridges in a whole new way and a whole new season! Enjoy a leisurely hike on level terrain. If snow cover is insufficient, the hike will be done without snowshoes. Afterwards gather around the wood stove in the Marshall Cabin for hot beverages. Snowshoes available for hike participants – call ahead to reserve. $5 rental fee.
$5 – Adult Members  •  $8 – Adult Public  •  Under 18 Free

Natural Connections

Nature Programs for Adults & Families

Evening Snowshoe Hikes

JANUARY 7, JANUARY 21 & MARCH 5, at 6:30 PM
A snowshoe hike at night is an amazing winter experience. Hike the trails by flashlight and headlamp. Round out the evening with a campfire and marshmallow roast back at the cabins. If snow cover is insufficient, the hike will be done without snowshoes. Snowshoes available for hike participants – call ahead to reserve. $5 rental fee.
$5 – Adult Members  •  $8 – Adult Public  •  Under 18 Free

Raptor Residences – Owl Nest Box Workshop

JANUARY 15 & FEBRUARY 19, 2:00 - 4:00 PM
Owls do not build their own nests. Some use the old nests of hawks, ravens, and other birds but cavity nesters like Barn Owls, Screech Owls, Saw-Whets and Barred Owls will readily nest in a box. Build one at our early winter workshops and pick up some tips on where to locate it and when to put it out.
Meet at The Ridges Workshop, 8288 County Q, Baileys Harbor.
$25 – Adult Members  •  $30 – Adult Public  •  $10 – Under 18
Fee includes materials for one nest box. Additional kits - $20.
REGISTRATION REQUIRED.

Make Your Own Bird Feeder

JANUARY 24 & FEBRUARY 21, 1:00 - 3:00 PM
Bird species that stay in northeast Wisconsin for the winter must adapt to changes in their bodies and need a constant food supply. There are many feeders to choose from, but it’s practical and very rewarding to make your own! REGISTRATION REQUIRED. Meet at The Ridges Workshop
$10 – Adult Members  •  $13 – Adult Public  •  $5 – Under 18

Migrate, Hibernate or Adapt

FEBRUARY 2, Monday at 1:00 PM
Celebrate Groundhog Day by joining us in a light discussion of how animals make it through the winter; but more importantly, how the heck we’re making it through! Some of us have migrated, others are going to wish they could have hibernated. We’ll have wine and cheese on hand to celebrate an early spring or get us through six more weeks of winter!
$15  REGISTRATION REQUIRED  – RSVP by January 30.

Natural Connections, continued

Owl Prowl

FEBRUARY 4 & FEBRUARY 11, Wednesday at 6:30 PM
Mating season begins early for owls, and it’s not unusual to hear them start their romantic hooting shortly after New Year’s Day. Join Ridges naturalists to learn more about the owls of Door County and their amazing adaptations as nighttime hunters. We’ll learn how to recognize a few of the more common owls by their calls then take a hike to listen for them. Suitable for all ages.
$10 – Adult Members  •  $13 – Adult Public  •  $5 – Under 18
REGISTRATION REQUIRED.

Get Ready for the Great Backyard Bird Count

FEBRUARY 9, Monday at 1:00 PM
The Great Backyard Bird Count is an annual four-day event for bird watchers of all ages to count birds and create a real-time snapshot of bird populations. Participants are asked to count birds on one or more days of the event. Join us to brush up on some of the basics you’ll need to participate. We’ll cover everything from feeders to binoculars to identification to prepare you for the February 13 – 16 Count.
$10 – Adult Members  •  $13 – Adult Public  •  $5 – Under 18
REGISTRATION REQUIRED.

Great Backyard Bird Count Lunch

FEBRUARY 14, Saturday at Noon
Participating in the Great Backyard Bird Count? Come join us for chili and snacks and share your experiences with the Count thus far. The Count runs from February 13 – 16, and we’ll take this mid-point opportunity to share stories and tips for those participating. Meet at the Marshall Cabin. Free

Valentine’s Day Hike

FEBRUARY 14, Saturday at 6:30 PM
This sweetheart of a hike is designed for all ages, but couples may find it especially romantic way to celebrate Valentine’s Day under the light of the silvery moon. Bring your night eyes and your curiosity, and explore with all your senses. Afterwards enjoy a campfire and marshmallow roast back at the cabins. REGISTRATION REQUIRED.
$10 – Adult Members  •  $13 – Adult Public  •  $5 – Under 18

Building for Bluebirds

MARCH 7, Saturday at 10:00 AM & 2:00 PM
Bluebird populations dropped dramatically from 1920 to the 1970s, but their numbers have been rising thanks in part to nesting boxes provided by humans. Learn what bluebirds need to survive, and how we can help. You can even make your own bluebird nest box to take home! All materials and tools provided. Meet at The Ridges Workshop, 8288 County Q, Baileys Harbor.
$10 – Adult Members  •  $13 – Adult Public  •  $5 – Under 18
Additional kits - $5.
REGISTRATION REQUIRED.
An Update of Ridges Activities

Natural Connections, continued

Pi Day Hike
MARCH 14, Saturday at 6:30 PM
A celebration of this essential mathematical constant! Don’t worry though, there won’t be any tests. This will be a light-hearted celebration of math with fun facts, a hike and you guessed it … pie!
$5 – Adult Members • $8 – Adult Public • Under 18 Free

Why a Duck?
Wood Duck Nest Box Workshop
MARCH 19, Thursday at 2:00 PM
Wood duck females typically build their nests in tree cavities near wetlands, but they can have difficulty finding suitable natural nesting sites. Wood duck boxes provide a man-made alternative, where hens can nest in relative safety from predators. This workshop will teach you a little bit about wood ducks and their habitats and send you home with a nest box that’s ready for a resident and made with your own two hands. REGISTRATION REQUIRED. Meet at The Ridges Workshop, 8288 County Q, Baileys Harbor. $25 – Adult Members • $30 – Adult Public • $10 – Under 18 Fee includes materials for one nest box. Additional kits - $20.

Hydrology and Water Quality of The Ridges Sanctuary
MARCH 25, Wednesday at 1:00 PM
As spring approaches, many people start to question the quality of their drinking water. The annual spring runoff events can sometimes lead to contamination of the local aquifers. We’ll talk about the hydrology of The Ridges, the connection of ground and surface waters and the quality of the water that so many species depend on as an integral part of their habitat. $10 – Adult Members • $13 – Adult Public • $5 – Under 18 REGISTRATION REQUIRED.

Fireside Series
JANUARY 8, FEBRUARY 12 & MARCH 12, Thursdays at 6:00 PM
Gather ’round the Marshall Cabin’s wood burning stove for a lively discussion about the industries that played a key role in Door County’s rich history.
January 8 – Commercial Fishing
February 12 – Conservation
March 12 – Orchard Industries
Admission is Free – Donations Welcome

Plans are already underway for the 2015 Door County Festival of Nature and this year’s Festival promises to be bigger and better than ever.

Our theme, Celebrating Our World Class Wetlands, reflects the exciting news that a number of Door County wetland sites soon may be designated as Wetlands of International Importance or Ramsar Sites in accordance with the Ramsar Convention on Wetlands. The Ramsar Convention is an intergovernmental treaty of 162 member countries adopted in Ramsar, Iran, in 1971 to “develop and maintain an international network of wetlands which are important for the conservation of global biodiversity and for sustaining human life through the maintenance of their ecosystem components, processes, and benefits/services.” There are currently 2,027 sites worldwide including 36 in the United States.

As part of her responsibilities, Katie coordinates the annual Wetland Science Conference, Private Landowner Outreach Program, quarterly newsletter, Wetland Gems program, and the Ramsar initiative. She is also a member of the U.S. National Ramsar Committee. Katie has a Masters degree in Land Resources from UW-Madison’s Gaylord Nelson Institute for Environmental Studies. She has nearly 20 years of nonprofit and environmental experience with organizations including the Gorongosa Restoration Project (Mozambique, Africa), the International Crane Foundation, and The Nature Conservancy.

Because Festival participation grew by over 20% in 2014, our schedule has been expanded to include a third day of new and exciting field trips. In addition, we’ll be moving the Festival dinner and keynote presentation to historic Maxwelson Lodge so that we can accommodate a larger audience for both these popular features.

Mark your calendars now for Memorial Day weekend - Thursday thru Sunday, May 21 - 24, 2015 - and watch the Spring issue of the Lites and our website for updates.

If you’re long overdue for a really great breakfast, we invite you to join the staff and volunteers of The Ridges for the Great Waffle Breakfast. Again this year, the Baileys Harbor Town Hall will be filled with the aroma of delectable, golden waffles. This is the seventh year for our popular breakfast event, so you can be sure we’ve ironed out all the details!

Enjoy your fill of waffles of all shapes and sizes, topped with Door County maple syrup, homemade cherry topping and whipped cream.

Donations of $6 for adults and $3 for children under 12 will be accepted at the door.

Emma Toft was one of the most vocal and persistent of the visionaries who founded The Ridges. The Great Waffle Breakfast celebrates the 124th anniversary of her birth.
