

4K Lead Teacher – The Ridges Sanctuary

Come to beautiful Door County and create a nature-based 4K experience that will impact children for the rest of their lives! We are The Ridges Sanctuary, in Baileys Harbor on Lake Michigan. In collaboration with Gibraltar School District, we will create and implement a Nature-Based 4K for the 2024-25 school year! Parents and children from all over Door County are excited to participate in this unique opportunity. We are looking for a teacher who will develop and teach this Mon – Thur morning program. Professional support will be provided throughout the year by the Director of Environmental Education who is writing a preliminary curriculum.

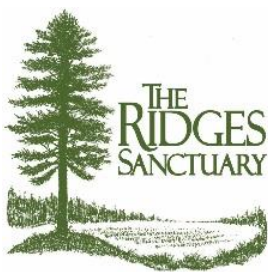

We are excited to grow this program with our new 4K Lead Teacher. In this role you will have the opportunity to build this program from the ground up, with the support of our team and community. There are flexible options embedded into this position, and we encourage you to reach out to us if you have any questions about the role, commitment, and expectations.

If you are interested in spending your days with 4-year-olds in the beautiful nature of Door County, please see the job description below.

To apply, submit a cover letter and resume to Dr. Sheryl Honig, Director of Education via email to sheryl@ridgessanctuary.org. We will be accepting applications until the position is filled. The priority deadline to be considered for this position is March 20, 2024.

Any questions, please feel free to reach out to Dr. Sheryl Honig via email or by phone (because she works at several campuses, email will be the quickest way to reach her):

Lead Teacher, Dragonfly Nature Preschool 2024-25

About The Ridges Sanctuary

The Ridges Sanctuary mission is to protect the Sanctuary and inspire stewardship of natural areas through programs of education, outreach, and research. The Ridges was established in 1937 after Albert Fuller, then Curator of Botany at the Milwaukee Public Museum, began spending a significant amount of time surveying the landscape. Fuller spearheaded a grassroots movement to protect this incredibly diverse property and establish Wisconsin's first land trust. The Ridges now protects over 1600 acres comprising fifteen discrete plant communities, 475 inventoried vascular plants, a Boreal Forest glacial relict and twenty-six of Wisconsin's forty-nine native orchids. The Ridges has also established popular early childhood education programs, a nationally recognized Orchid Restoration Project, and welcomes over 35,000 visitors to our Nature Center each year.

Position Summary

The Ridges Sanctuary seeks to hire a Lead Preschool Teacher for Dragonfly Nature Preschool, which will be an official site of the Gibraltar School District 4K Collaborative. The preschool sessions are scheduled for mornings, Monday – Thursday, with parent outreach scheduled for some Fridays. For this initial year, the position will begin in June. Going forward, the position is a 40-hour per week job from Aug 15 through June 15. Additional responsibilities from June 15 – Aug 15 are negotiable. The primary responsibility will be to develop and lead the Dragonfly Nature Preschool. Because Dragonfly Nature Preschool is a collaborative 4K with the Gibraltar School District, the Lead Teacher will work with school district officials as needed. This position directly reports to the Director of Education and will work collaboratively with the Education Team throughout the year.

Duties & Responsibilities

Dragonfly Nature Preschool

- Using Dragonfly Nature Preschool curriculum, along with a play-based, nature-based approach, plan and teach 4k program. (Dragonfly Nature Preschool curriculum is flexible, and is aligned with Natural Start Guidelines and Wisconsin Model of Early Learning Standards. It is informed by emergent, play-based, nature-based approaches; the Lead Teacher will be able to develop the curriculum to reflect student interest and needs.
- Collaborate with an instructional aide.
- Collaborate with the Education Team to align all programming with best practices.
- Facilitate discovery in both indoor and outdoor classroom setting.
- Develop curriculum that integrates place-based nature education with WELS standards.
- Participate in special events.
- Other duties as needed.

Administration

- Oversee registration and attendance of Dragonfly Nature Preschool
- Communicate and collaborate with Gibraltar staff as requested
- Communicate efficiently and promptly with colleagues and parents
- Meet with staff on a regular basis to share program ideas, collaborate on programs and events, etc.

- Prepare program reports as needed
- Interact with visitors and volunteers as needed
- Help answer incoming phone calls.

OTHER DUTIES AS ASSIGNED

Candidate Profile & Qualifications

- Bachelor's Degree in Early Childhood Education
- Wisconsin (or state with which WI has reciprocity) Early Childhood license
- Experience in developing and delivering environmental education and/or camp programs.
- Energetic and enthusiastic personality to help motivate children and collaborate with co-workers.
- Knowledge of local natural history preferred.
- Excellent communication skills.
- Withstand the physical demands of work which involves some lifting, carrying, bending and hiking across uneven terrain.
- Must pass a criminal background check.
