**Ridges Tours**

Bring your large group or bus tour to The Ridges and create an experience your guests will never forget. Tours begin at the Nature Center where guests get acclimated, shop in our nature store and get a brief history of The Ridges all while experiencing our indoor exhibits. From there, we head out on to our fully-accessible boardwalk. During the hike a Ridges naturalist will point out flowers in bloom, the uniqueness of the beautiful landscape, and answer any questions guests may have.

All tours end at our historic Baileys Harbor Range Lights. Guests will get a tour of the Upper Range Light and learn about their importance and why they are a part of The Ridges. Busses then pick up and depart from the Range Lights.
